- Leverage the use of predictive maintenance and GPS technology to maximize uptime while trucks are on rent with customers.
- Communicate and facilitate immediate support directly with customers for down equipment.
- Partner with our dealer network to efficiently and cost effectively manage the truck from rental return to rental readiness.
- Partner with our dealer network to efficiently and cost effectively manage the truck through the reconditioning and truck sale process.
- Use BTR processes and technology to effectively communicate the status of equipment to sales, operations, finance, and customers.

**Ideal Experience:**

- High School Diploma / GED
- Minimum 5 years’ Dealer/Fleet experience (waste industry preferred).
- Excellent written and verbal communication skills to work with diverse customer base.
- Disciplined & strong ability to work in independent environment
- Adequate use of web-based applications (Sales Force), Word, Excel, PowerPoint, etc.
